# Bodmin Town Christmas Lights 2009

Although Christmas may seem a long way off, the Bodmin Christmas Lights Committee thought you might be interested to learn what is being put in place to make Christmas 2009 a special event in Bodmin town centre:

## Switching-on Event

This year the Christmas lights will be put up on Sunday 22 November, with the official switching-on event (including late night shopping and entertainment on the Mount Folly) taking place on **Friday 27 November**.

## Small Christmas Trees

If you would like to purchase a small Christmas tree for display outside your shop, please contact Elaine Ferguson on 01208 269250 who will be pleased to take your order and make the necessary arrangements for the fixing of the tree.

## Gutter Cleaning

During the course of the summer months, engineers will be checking the electrics and fittings for the lighting on the exterior of the buildings using a cherry picker. This will provide an opportunity to check and/or clean the guttering on your property.

Why not take advantage of this opportunity by making a donation to 'Bodmin Town Christmas Lights'.

## Sponsorship

We hope that many businesses in the town will want to take part. If you would like to sponsor some of the lighting or make a donation, please contact Bodmin Town Council on 01208 74159.

Alternatively you may wish to volunteer with the Bodmin Christmas Lights Committee who maintain, repair and erect the lights. Please contact Andy Rowe on 01208 73847 or Julian Murch on 01208 269523 for further information.

**To obtain further information on any of the above please contact Chris Wilkes (Bodmin Chamber of Commerce and Industry) on 07968 488282 or Bodmin Town Council on 01208 74159.**
